GLOBAL YEAR OF UNITED PRAYER FOR MOZAMBIQUE, 2012

Mozambique is populated by about 23 million precious souls-each one is a solid reason why we should pray for this needy nation! When one of these turns to the Faith, heaven rejoices.

Based on 2 Chronicles 7:14, Church- and Prayer leaders are calling for a global year of united prayer for Mozambique.

In Mozambique believers will be encouraged to:

- Pray and Fast throughout 2012 using a fasting and prayer chain
- Fast as a country in January. Then each province to take a month of the year to fast. Every province fasts again in December, 2012.
- Families to pray together during daily family devotions.
- Prayer partners of the same gender to pray regularly.
- Local assemblies to pray every time they meet
- Christians in the marketplace to pray at break time during the day
- Solemn Assemblies will be organized for the last Sunday of each month

A Prayer Guide is being provided to enable all to pray on the website <http://www.prayformozambique.com/>

Why don't you join wherever you are and pray for this beautiful nation?

KINGDOM COME 2012 YEAR OF PRAYER FOR SOUTH AFRICA.

The vision for 2012 is to see our country covered in prayer! Our country is in huge need of prayer for our leaders, churches and people. The scripture theme for this Year of Prayer is 2 Chronicles 7:14 – “If My people, who are called by My name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and will heal their land”. The theme song for this year of prayer is “Spirit Break Out”.

We are inviting believers from around the world to join us for **one week of prayer in 2012**. Simply click here: <http://www.alphasa.co.za/weeks.php> for online registration form and website calendar for the 2012 year of prayer. Churches are invited to take one week and try and cover as many weeks as possible in that week.

There have been many other prayer initiatives for our country, may this be another united effort to seek healing for our land and people.
