Dear Synergy Friend,

Greetings in the name of Jesus. We wish you a very happy Christmastime and a New Year full of blessings.

There is a rising tide of prayer across Wales as His children seek His face for our nation. At the same time there is a rising tide of good news as far as His kingdom is concerned. At Ffald-y-Brenin the move of God which is drawing people from around the world not only continues but is in fact strengthening and deepening. However, the good news is coming from all over Wales and from both languages/cultures. God is answering His people's cry.

For those who are connected with all this, life is full of hope. But at the same time, for those who are not yet connected, life can seem pretty dismal and unchanged. We need to keep praying that the Glory of God will cover all of Wales as the waters cover the sea. Then the individual springs will be submerged in the fullness of God's outpouring of favour upon our nation.

There are so many good things happening that we can only mention a few. If you have good news to share then please email us. Here is a sample:

- ⤴ People crossing from England into Wales whether North or South are increasingly commenting on the sense of what they frequently refer to as a 'heightened sense of something spiritual' as they enter.
- ⤴ People are gathering to pray together across the nation.
- ⤴ Remember the cross-border prayer initiative last May? Wales blessed England and England blessed Wales across the length of the border from fourteen Houses of Prayer established on either side. Does blessing carry significant impact? Well, it certainly seems to. Six months later a new cross-border initiative has been established to promote tourism and economic growth across the length of the border area where blessings were spoken.
- ⤴ A network of local Houses of Prayer is spreading out from the Builth Wells area.
- ⤴ The Anglesey Prayer network is doing well.
- ⤴ In Cardiff there had just been a major prayer event which drew hundreds.
- ⤴ A new network of prayer across the valleys is being planned.

We trust that you are encouraged and are keeping your eyes fixed on Jesus, the author and finisher of our faith. With all the gloomy economic and political warnings for the coming year it is good to remember that Jesus came to give us life and to give it abundantly. Whilst this world system is being shaken, we are the ones who stand assured of the Father's love; we have inherited a kingdom that cannot be shaken. This is one of those moments in history where the confidence and hope of the children of God stands in stark contrast to the mood of the times. The people around us are desperately longing for some sign of an alternative to the empty life which is disintegrating around them. O Lord, help us to let our light shine brightly in a darkening world!

May God bless you richly
The Synergy Team
